Executive Departures

Please ensure our [Operations Team](#) is notified of upcoming departures of an IC Deputy Director, Clinical Director, Scientific Director, Executive Officer, or an SES/SL appointee. This will allow our office to contact the appropriate POC to determine how your IC will backfill the position.

SES and SL appointees departing NIH (retirement, reassignment, or separation) should be brought to the attention of DSSEM immediately. If NIH does not request the slot within 30 days of their departure, HHS may not approve our request to reuse the slot (backfill or repurposed).
