

New! Audio Books Now Available in Books 24x7

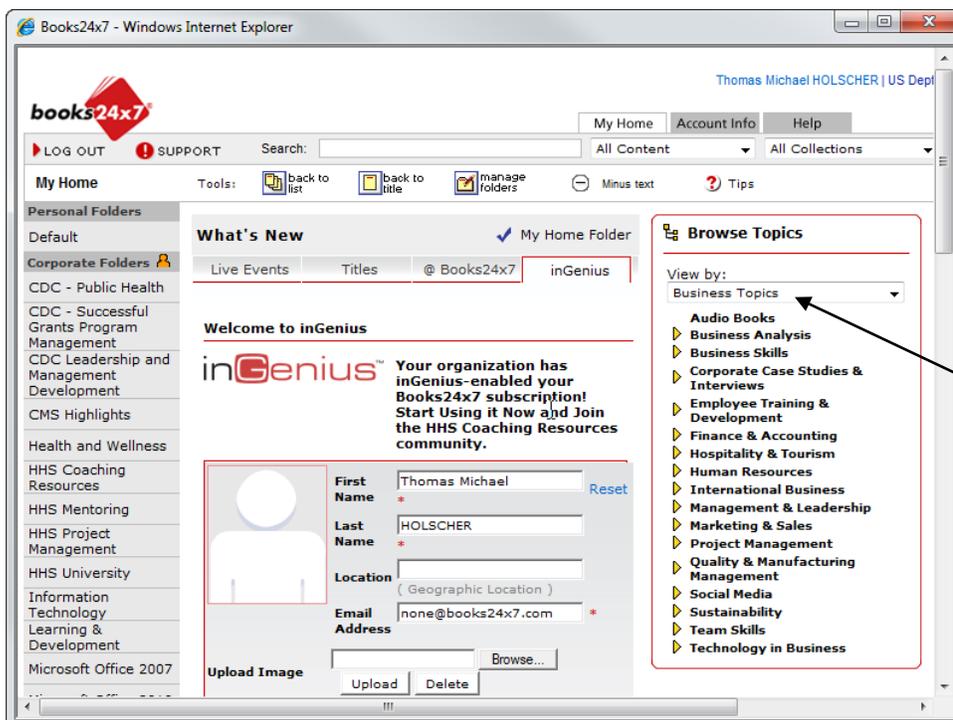

Login today and take advantage of SkillSoft Books 24x7 audio books.

We are excited to announce that Skillsoft has enhanced their Books24x7 BusinessPro product to include an impressive selection of audio book titles – including best-sellers like *The 7 Habits of Highly Effective People*, *Crucial Conversations*, and *The Apple Way*. The audio books can only be downloaded – not streamed within the Books24x7 platform – and each title contains multiple MP3 (audio) files.

Search for these audio books in Books24x7 via the **‘Business Topics’** category for instant access. Once downloaded, the audio books can be utilized on any device that supports MP3 files, including the iPod, iPad and many smart phones. In addition, these audio books are separate from Chapters to Go so they do not count toward your Chapters to Go download allocation.

NOTE: MP3 is an industry standard file format for audio and is supported by a wide variety of smartphones and other devices, including the iPod®, iPhone®, iPad®, as well as many others. You may find more information about syncing or downloading MP3 files to various devices on the Books24x7 Knowledge Base.
