The Leadership Knowledge Center enables hands on learning, providing more than courses and books—it introduces an array of resources designed and chosen to challenge and motivate you. This one stop portal allows you access to a diverse array of information, including articles, courses and online books specifically chosen by experts to facilitate learning regardless of skill level. But, more than that, the Leadership Knowledge Center includes hands-on SkillSim™ Business Simulations, useful job aids for you to learn and use in a real-time environment. The Leadership Knowledge Center provides resources for:

- Employees learning about leadership
- Employees applying leadership
- Employees supporting leaders

You just need to register one time. The link to access the knowledge center will then be available in your In-Progress Learning Activities portlet. Click the hyperlink below to access this knowledge center:

The screenshot shows the SkillsSoft Leadership Knowledge Center interface. At the top, there's a navigation bar with links like Home, Business Impact Series, Challenge Series, Practice Zone, Roadmaps, Support, About, and Log Out. The main header area includes a search bar and a featured topic section titled 'Recognizing Obstacles to Change' with sub-sections for 'Industry Articles and Links', 'Course Spotlight', and 'Monthly Challenge'. There are also sections for 'Selected Books', 'Learning Roadmaps', and 'Related Resources'.
