Individuals with disabilities who need reasonable Accommodation to participate in this event should contact the NIH Awards Program at 301-594-9033; [NIHAwards@od.nih.gov](mailto:NIHAwards@od.nih.gov) or the Federal Relay (1-800-877-8339).

Greetings and Congratulations,

Welcome to the 2014 National Institutes of Health (NIH) Director's Awards Ceremony! Today, we salute the men and women who reflect the best of NIH. Their outstanding investments in the fields of science, research, administration, and clinical care have served to advance NIH's vital mission.

The theme of this year's awards ceremony is "Why I Love NIH"—a theme clearly embodied in the achievements of each of the awardees here today. Your accomplishments truly are a work of love. Not only are they tangible expressions of the dedication that you bring to your job on a daily basis, they demonstrate your commitment to NIH's goal of improving the health of our nation and the world at large.

As the leader of NIH, allow me to extend my heartfelt thanks to each awardee for your service and hard work. You have exceeded all expectations and made many important advances for the betterment of science and health. I also want to acknowledge the many family members, friends, and co-workers attending this ceremony. Your unwavering support has enabled our awardees to go beyond the call of duty.

Today, the NIH family has many reasons to celebrate—and even more to look forward to—as we together pursue our mission of turning discovery into health. Because *you* love NIH, biomedical research is truly at its best!

*With warm congratulations and best wishes for your continued success,*

### ***Scientific/Medical***

**The awardees in this category have accomplished one of the following:**

- » Unusual display of leadership that promoted the advancement of the understanding or application of scientific phenomena, processes or problems
- » Unusual achievement in the application of scientific principles and methods to improve the efficiency or extend the benefits of the NIH
- » Discovery or invention of a new principle, process or device of a scientific nature that resulted in substantial benefits
- » Unusual competence, compassion, or heroism in an emergency situation at NIH
- » Sustained and excellent performance in carrying out a difficult task
- » Outstanding contribution to a special committee or task force dealing with NIH-wide policies, procedures or operations
- » Skill and leadership in science

### ***Administrative***

**The awardees in this category have accomplished one of the following:**

- » Exceptional initiative or leadership in carrying out activities to improve NIH program operations or to benefit the NIH environment
- » Development and improvement of methods, procedures, or equipment that resulted in substantial benefits to the NIH or government
- » Unusual competence, compassion, or heroism in an emergency situation at NIH
- » Sustained and excellent performance in carrying out a difficult task
- » Outstanding contribution to a special committee or task force dealing with NIH-wide policies, procedures or operations
- » Notable competence and resourcefulness in improving the administrative management of the NIH
- » Skill and leadership in administration

### ***Technical/Clerical/Support***

**The awardees in this category have accomplished one of the following:**

- » Outstanding efforts in applying technical or clerical support skills to accomplish the NIH mission
- » Exceptional initiative in carrying out activities to improve NIH program operations or to benefit the NIH environment
- » Unusual competence, compassion, or heroism in an emergency situation at NIH
- » Sustained and excellent performance in carrying out a difficult task

## **CLINICAL CENTER**

### ***Scientific/Medical***

#### **Adrienne R. Farrar, CC**

For outstanding leadership of the Clinical Center Social Work Department by providing expert support to and collaboration with patients, families, investigators and team members.

#### **Harvey G. Klein, CC**

For excellence in establishing and sustaining a world-class Department of Transfusion Medicine.

### ***Administrative***

#### **Deborah A. Kolakowski, CC**

For her exceptional leadership and initiative in directing design and implementation of an industry-standard nursing acuity measurement system for use in a clinical research environment.

#### **Patient Portal Management Team**

For engaging patients and enhancing the clinical research experience through accurate, timely, and secure access to personal health information via the Clinical Center Patient Portal.

Patricia S. Coffey, CC

Gina R. Ford, CC

Ryan D. Kennedy, CC

Susan E. Postal, CC

### ***Technical/Clerical/Support***

#### **Kasan C. Bryant, CC**

For continuously exceeding expectations by assisting in times of need, ensuring that patient research and service standards are upheld in the Clinical Center Nutrition Department.

#### **Surgical Services Team**

For consistently displaying exceptional customer service assuring sterility of surgical supplies throughout the NIH Clinical Center.

Benjamin Jo R. Abad, CC

Dina M. Pokuaa, CC

Cuthbert N. St. Clair, CC

Paul T. Wilcher, CC

#### **The Investigational Drug Accountability Team**

For the successful preparation of sponsor and FDA investigational drug accountability audits for all CC investigational drug studies.

Josette D. Blocker, CC

Tramaine M. Davis, CC

Judith D. Downing, CC

Scott A. Hotaling, CC

## **CENTER FOR INFORMATION TECHNOLOGY**

### ***Administrative***

#### **ITAS Technical Team**

In recognition of excellence in performing time-sensitive mass timecard adjustments enabling NIH Federal employees to receive back-pay for the interval during the government shutdown.

Inderjit K. Bakshi, *CIT*

Julie B. Berko, *OD*

Tammie L. Bowman, *CIT*

James Y. Chung, *CIT*

Shirley J. Flottum, *OD*

Rennie T. Franklin, *OD*

Elena Lozovatsky, *CIT*

Hiwot K. Maru, *CIT*

Thande Njuguna, *CIT*

Jack A. Vinner, *CIT*

#### **NIH Wireless Network Infrastructure Group**

In recognition of excellence in the improvements to NIH's wireless network infrastructure that enables exponentially better connectivity, reliability and mobility in critical NIH locations.

Michael L. Griffin, *CIT*

Stephan G. Linstrom, *CIT*

Charles G. Matthews, *CIT*

Robert S. Meyers, *CIT*

Nghia H. Tang, *CIT*

#### **nVision Integrated Data Analytics Project**

In recognition of excellence in delivering significant improvements to the NIH's Financial and Human Resources reporting capability while reducing the ongoing cost to the NIH.

Suzanne M. Barmine, *CIT*

Jennifer Bayless, *CIT*

Robert E. Butz, *CIT*

Debra B. Chavez, *CIT*

Ann M. Puderbaugh, *FIC*

Kathleen S. Stover, *FIC*

## **NATIONAL CANCER INSTITUTE**

### ***Scientific/Medical***

**Thomas A. Misteli, *NCI***

For his contributions in elucidating the role of genome architecture in cancer and aging.

**Andre Nussenzweig, *NCI***

For outstanding contributions to cancer research elucidating how multicellular organisms maintain genome stability during DNA recombination and replication.

**Leadership Team of the Cancer Intervention and Surveillance Modeling Network**

For leadership to advance the use of simulation modeling to guide public health research and priorities through the Cancer Intervention and Surveillance Modeling Network.

Lauren D. Clarke, *NCI*

Jennifer A. Couch, *NCI*

Kathleen A. Cronin, *NCI*

Vincent P. Doria-Rose, *NCI*

Michelle C. Dunn, *NCI*

Eric J. Feuer, *NCI*

Rose A. Fredua, *NCI*

Carolyn M. Hutter, *NHGRI*

Angela B. Mariotto, *NCI*

Paul F. Pinsky, *NCI*

Miquel J. Sample Jubilee, *NCI*

Margaret R. Stedman, *NCI*

### **The Cancer Genome Atlas Project Team**

For the successful planning, management and operation of the largest cancer genomics project to date, which is transforming the diagnosis and treatment of patients.

Cathy A. Collins, <i>NCI</i>	Douglas C. Hosier, <i>NCI</i>	Debra A. Steverson, <i>NCI</i>
Catherine R. Crawford, <i>NHGRI</i>	Carolyn M. Hutter, <i>NHGRI</i>	Jeffery P. Struewing, <i>NHGRI</i>
Tanja M. Davidsen, <i>NCI</i>	Teri A. Manolio, <i>NHGRI</i>	Roy W. Tarnuzzer, <i>NCI</i>
John A. Demchok, <i>NCI</i>	Jean H. Mendoza, <i>NCI</i>	Zhining Wang, <i>NCI</i>
Gregory D. Eley, <i>NCI</i>	Jane L. Peterson, <i>NHGRI</i>	Liming Yang, <i>NCI</i>
Ina Felau, <i>NCI</i>	Margi Sheth, <i>NCI</i>	Jean C. Zenklusen, <i>NCI</i>

## COMMON FUND LEADERSHIP AWARDS

---

The NIH Common Fund supports trans-NIH research initiatives that NIH as a whole must address to ensure both efficient and effective scientific discovery. The NIH Director's Common Fund Leadership Award is given to individuals and /or groups who have demonstrated significant leadership, skill, and ability in contributing to the planning, implementation, and evaluation of Common Fund initiatives. It was initiated to give formal recognition and encouragement to those individuals who are both officially and voluntarily giving of their expertise and time in contributing to this agency-wide effort.

## ALAN S. RABSON AWARD FOR CLINICAL CARE

---

The Alan S. Rabson Award for Clinical Care was established in honor of National Cancer Institute Deputy Director, Dr. Alan S. Rabson, whose half-century of dedicated service stands as the epitome of clinical care at the National Institutes of Health.

The purpose of the award is to recognize outstanding clinical researchers who have demonstrated an exceptional commitment to assisting patients and their families who look to the National Institutes of Health for help. Recipients of this award exemplify Dr. Rabson's unswerving commitment to scientific and technical excellence, collaboration with colleagues, and provision of excellent, compassionate care for patients and those who love them.
